

My name is Kyle Dixon and I am excited about running for Town of Wyoming Town Council. I grew up in a family that valued community service. This will be my first opportunity to continue this tradition.

I grew up at 118 Pine St. in Wyoming, which my parents Dennis and Margie Dixon still currently live and now I live just a stone's throw away at 118 Broad St. My wife Natalie and I have been married for 3 years. We have a son Brysen who is nearly two years old and another son on the way in June. I attended the Caesar Rodney School District, graduating in 1999. I graduated from Wilmington University in 2003 with a degree in middle school education. I am employed with the CR School District as a math teacher at Fred Fifer III Middle School.

As a life-long member of the Town of Wyoming who is currently raising a family here I would like to see this town continue to grow into "The best little town in Delaware." With my positive, energetic, and hard working personality I would like to be more actively involved in our town's decision making process to ensure that the growth of our community continues on a sound path.
